THE ONE MINUTE GUIDE TO... DIVORCE

ONE: the petition

Choose **one of five reasons** to prove your marriage has 'irretrievably broken down.' Complete a petition to request the Court's permission to divorce.

TWO: the court

The Court will ask your spouse to agree to the reasons for divorce. If they agree, you can apply for a *decree nisi*.

THREE: the divorce

Six weeks and one day after the *decree nisi* has been pronounced, you can apply for the *decree absolute* - the legal document that officially ends your marriage.

It can depend. The Court fees for every application are £550. You can do the paperwork yourself or instruct a law firm.
