Want a quick divorce?

Do you and your spouse
both agree to a divorce?

Without filling in forms?

Not sure which forms to fill in or
worried about getting them wrong?

And no court appearances?

Would you prefer someone to deal with
judges and solicitors on your behalf?

Choose our Uncontested Divorce service

What does uncontested mean?

An uncontested divorce is when both of you agree to the divorce.

Can anyone use this service?

Yes, if you both agree to divorce and you have an up to date address for your spouse.

How much does it cost?

There are two charges. Everyone has to pay £550 court fees. Our charge is £700 +VAT. This is a fixed fee - so it is the only amount you pay us.
