## WHAT IS A CLEAN BREAK ORDER?

A Clean Break Order is a type of financial order. A Court can grant them after a divorce to end all financial ties and commitments between a couple.

Both parties must agree to the Order.

Even if you have no joint assets, a Clean Break Order stops either of you from making a claim against each other in the future.

## I'M ON GOOD TERMS WITH MY EX, WHY DO I NEED A CLEAN BREAK ORDER?

Your divorce application legally dissolves your marriage and brings it to an end. But, it does not end your financial obligations.

And because there is no time limit for making a financial claim, your ex can make an application many years after you finalise your divorce.

For example, if you win the lottery or your business makes a profit, your ex-spouse could file a claim.
